 - RHC asked the Council for any comments due to the Application being turned down last year. AH, DH and CB had no comments or any objections. PPC observed that the extension is 15-20% wider and higher than the existing garage which would cause more overshadowing however he had no problems with the Application.
 - After discussion it was unanimously agreed to submit 'no objections' to this Planning Application.

RHC thanked the Council for attending and closed the meeting at 7.41pm.
